

PC-PLUS Technologies, Inc.

Refurbished Computers

Windows® XP Professional®

PC-PLUS Refurbished computers come with a 30 day depot warranty. They include tower, keyboard and mouse, **monitor and speakers are not included**, but may be purchased separately. All refurbished systems have Windows XP Pro loaded and do not come with the reinstallation disc. Microsoft Office programs may also be purchased, but are not included in the price of the machine. Below pricing is for pickup orders only, and does not include installation.

*Below pricing is for tower, keyboard and mouse only. Monitor and speakers sold separately.
